

# Terms and Conditions

- Costs** Participation in decarb KICK is free of charge for the nominated spin-offs, start-ups and business ideas (hereinafter "Ventures" or "Participants").
- The Belimo Climate Foundation covers the costs for official communication, marketing measures, film production, and any other activities such as events and supporting programs of decarb KICK.
- Travel, accommodation, and meal costs will be reimbursed at a flat rate for participation at decarb KICK. If additional travel costs arise, a flat rate can be requested from Belimo Climate Foundation.
- An additional flat amount of CHF 100.- will be granted for climate-friendly travel, such as by train or car. The remaining costs must be borne by the participants themselves.
- Communication** The Belimo Climate Foundation provides the decarb KICK marketing label and other communication material for the participants.
- Participants agree to prepare their case presentation for events and programs.
- The content will be determined by the Belimo Climate Foundation in consultation with the participants\_
- All participants, as well as their startups, spin-offs, and business ideas, will be documented through film and photography. Additionally, participants will be asked to give a short statement about their startup, spin-off, or business idea in front of the camera.
- It is the responsibility of the participants to present their projects/ideas truthfully and in compliance with the law and to protect any third-party rights.
- The Belimo Climate Foundation as well as the participants may freely report on decarb KICK. The reports are shared in advance with the other party for comment.
- Insurance / limitation of liability** The insurance of persons and property is the responsibility of the participants. Belimo Climate Foundation excludes any liability to the extent permitted by law.

## **Legal matters**

The participants grant the Belimo Climate Foundation the non-exclusive usage rights to all submitted audiovisual materials (photos, films, etc.) for all communication measures carried out by the Belimo Climate Foundation as part of the Decarb KICK.

The participants agree that Belimo Climate Foundation may use the audiovisual materials created as part of decarb KICK for its public relations work and communication with third parties.

The competition may be canceled or held in a form other than that described in the regulations for objective reasons at the discretion of Belimo Climate Foundation.

All project-specific briefings must be strictly followed, particularly the specified deadlines.

Swiss substantive law shall apply, and the exclusive place of jurisdiction shall be at the registered office of the Belimo Climate Foundation.

## **Rewards**

decarb KICK offer CHF 20000 cash to the ventures - including a recommendation on how to spend it.

decarb KICK considers the ventures for decarbonization projects of the Belimo Climate Foundation.

decarb KICK opens the door to the Belimo Climate Foundation network for participants.
